Anti-Bullying Policy

Aim

- This policy outlines what Hartley Primary Academy will do to prevent and tackle all forms of bullying.
- The policy has been drawn up through the involvement of the whole school community and we are committed to developing an anti-bullying culture where no bullying of adults, children or young people will be tolerated.

Our school community

- Discusses, monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports all staff to promote positive relationships to prevent bullying.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy.
- Reports back to parents/carers regarding concerns on bullying and deals promptly with complaints. Parents/carers in turn work with the school to uphold the anti-bullying policy.
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate.

Dealing with Bullying Incidents

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached.
- A clear and precise account of the incident will be recorded and given to the Principal and/or Designated Safeguarding Lead.
- The Principal/ Designated Safeguarding Lead will interview all parties involved and will record the incident in accordance with school procedures.
- Teachers and other relevant members of staff will be kept informed as appropriate.

 - If content posted online is offensive or inappropriate, and the person or people responsible are known, then the school will ensure that they understand why the material is unacceptable or offensive and will request that they remove it.
 - If a criminal offence has been committed, then the police may need to be involved to enable the service provider to look into the data of another user or to respond to credible threats of harm.

- Parents/carers of all children involved will be kept informed.
- Sanctions will be used as appropriate and in consultation with all parties concerned.
