

14th September 2017

Dear Parents and Carers,

Information Shared at Meet the Teacher

As explained during the Meet the Teacher evening, new homework **will be set every Friday** on Literacy Planet and Mathletics. Your child has already been given their login for these sites (each site requires a different username and password). Please could you ensure that your child has completed their tasks **by the following Thursday** for their class teacher to monitor their progress.

- Literacy Planet – tasks set by class teacher;
- Mathletics - tasks set by class teacher;
- Spelling – list will be sent home;
- Times tables – Over the first term we will be focussing on 2, 3, 5 and 10 times tables;
- Learning Journey – children to design a new house or home. Children can present this however they wish. Children will have the whole term to work on this at home and will need to bring in their finished project on **Thursday 19th October 2017**.

This will be a consistent approach, with flexibility for teachers to plan homework according to need. If you have any concerns or queries about the tasks that have been set, please feel free to speak to your child's class teacher.

School trips were also discussed during the Meet the Teacher evening. This year the children will be invited to take part in the following:

- Rocks and Soils Workshop in Term 2
- Chocolate Workshop in Term 4
- A visit to Tropical Wings in Term 6

Kind regards,

Miss K Balrow
Ash Class Teacher

Miss F Grundy
Maple Class Teacher
