

## Reception - Terms 3 and 4

We have had a busy couple of terms:

- Making pancakes for Shrove Tuesday, linking to the story 'Mr Wolf's Pancakes'.

- Making toasty bear faces, during the weeks that we explored 'We're Going on a Bear Hunt' and 'Goldilocks and the Three Bears'.

- Finding out about Chinese New Year, how it is celebrated and learning the story behind the naming of the years after different animals. All of our children are either tigers or rabbits!

- Celebrating Book Week! In Reception our main theme was 'Charlie and the Chocolate Factory', following on from the dance workshop we had with 'West End Theatre in Schools'. Back in class we had a role play sweet shop, made cakes, biscuits and chocolates with chocolate playdough, explored chocolate gloop, drew a map of the chocolate factory and made some tasty chocolate marshmallows as Mother's Day presents!

- Being scientists and investigating which material would be best to protect an egg, by dropping them off of the wall in the playground. The children predicted which material they thought would protect the egg the most and then enjoyed finding out who was right!
