

STOP PRESS!!!!!!!

We are very excited to be taking over the role of Chair for the PTA. The previous Chair Sarah Mills stood down after her daughter left HPA to go on to secondary school. She did such a great job that it has been very easy for us to step in and continue the great work already being done by the PTA. We both have children in Year 3 and although we haven't had an official role previously we have been part of the PTA army and have always tried to help with any events, running stalls at the fairs, Frozen Fridays and school discos. Our aim is to have lots more fun activities and family friendly events along with the firm favourites of Movie Night, End of Term Discos and Theatre Club.

With several existing PTA members leaving as their children move on, there have been lots of new parents joining our friendly committee which has generated plenty of new and exciting ideas for fundraising and events. This will not only raise funds to benefit all of our children but we will all have a great time in the process!

Although every parent and teacher are automatically part of Hartley's PTA we would love to meet lots more parents and hear any ideas you have for things you'd like to see in the future. Please come and find us, drop us an email to hartleyprimarypta@gmail.com or speak to your NEW class representatives (see below).

NEXT PTA MEETING: Wed 24th January 7.30pm – all welcome.
