

Y1 have PE on Mondays and Tuesdays

Please ensure that your child has a winter kit in school on these days (tracksuit with trainers and socks). It is becoming very cold outside and your child will need tracksuit bottoms. Long hair must be tied up and no jewellery, including earrings, is allowed for safety reasons. Please provide tape if your child is wearing earrings, but ideally, please remove them before school.

HARTLEY PRIMARY ACADEMY

Y1 NEWSLETTER: TERM 3

January 2019

Happy New Year and welcome back to term 3! We hope that you all had a lovely Christmas break.

This is our third newsletter where we share what Year One are going to be learning this term.

Literacy Planet and Mathematics tasks will continue to be set for homework each week. Please ensure you check this weekly and complete the given tasks. If you have any problems with the sites please let us know.

The children are expected to read to parents at least 5 times per week. Please could parents/carers continue to record this in your child's reading record and sign it. We will keep checking these when your child is reading to an adult. House points will be given to children every time they read at home.

The learning journey homework sheet was sent home at the end of term one. Please remember to complete this by Friday 18th January. We look forward to sharing these in class!

Please ensure your child has outdoor clothes, spare socks and wellington boots in school as we will be using them this term.

Thank you for your continued support.

We begin our learning as soon as the children come into school at 8.45am. Please ensure that your child arrives promptly, so that they do not miss vital learning time!

The children are continuing to lead their learning this term. We have given them the opportunity to ask questions linked to a central idea, and using their ideas, we have planned a unit of inquiry.

This term, we will be investigating the following statement:

'Human actions affect wildlife.'

Our lines of inquiry will include:

- What is wildlife?
- What wildlife have we seen?
- What are good and bad human actions?
- How can we help wildlife?
- Why don't jungle animals live in Hartley?
