HARTLEY PRIMARY ACADEMY

Y2 NEWSLETTER: TERM 3

January 2019

Welcome back to Term 3! We hope you had a lovely break and are looking forward to this term.

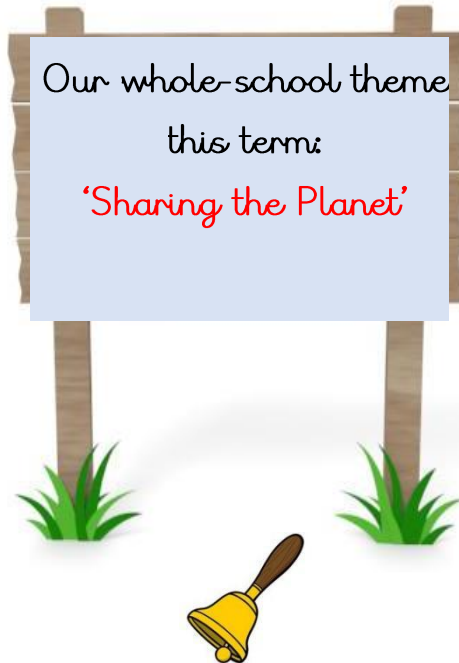

Please note that we will no longer be collecting the children from the playground in the morning. The children are still expected to wait on the playground with their adult until 8:45am, when the side door will open. They can then walk into the building. Any messages for teachers can be written on a note. Alternatively please talk to us at the end of the school day.

Homework

The children are expected to read 5 times per week and to record this (and have it signed by an adult) in their reading diary. We will check these weekly so please ensure that your child brings their reading diary to school every day.

Literacy Planet and Mathletics tasks will be set each week on a Friday. Homework diaries will be collected on Thursday mornings. Please note that homework does not need to be recorded in these books - they are just to inform you of the tasks that have been set.

A learning journey task will be set each term. Details of this term's activity will be sent home soon.

A polite reminder that school and learning starts at 8:45am and children are expected to be here for this time. The register closes at 9am.

This term we will be investigating the following statement:

'Human actions affect wildlife'

We will use the title:

'Then there were none...'

Our lines of inquiry will include:

- What is the difference between extinction and endangered?
- Are unicorns an extinct animal?
- How do human actions affect animals?
- Are zoos good or bad?

AND FINALLY...

Please wait behind the yellow line to collect your child. Please do not wait on the pirate ship or in the wooden house behind the teachers. The trim trail and the woods are out of bounds before and after school. Please ensure any younger siblings wait with you behind the yellow line. Please ensure anyone supervising your children are aware of this.
